TRUSTEES' REPORT FOR THE YEAR ENDED 31 AUGUST 2023

The trustees present their annual report together with the financial statements and auditor's report of the charitable company for the year ended 1 September 2022 to 31 August 2023. The annual report serves the purpose of both a trustees' report, and a directors' report under company law.

The academy trust operates an academy for pupils aged 3 - 11 serving a catchment area in Brent, Barnet, Camden and Westminster. It has a pupil capacity of 275 and had a roll of 205 in the school census on October 2022.

Structure, governance and management

a. Constitution

- The academy trust is a charitable company limited by guarantee and an exempt charity.
- The charitable company's memorandum and articles of association are the primary governing documents of the academy trust
- The trustees of North West London Jewish Day School Academy Trust are also the directors of the charitable company for the purposes of company law.
- The charitable company operates as North West London Jewish Day School.

Details of the trustees who served during the year, and to the date these accounts are approved are included in the Reference and Administrative Details on the preceding pages of this document.

b. Members' liability

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

c. Trustees' indemnities

Subject to the provisions of the Companies Act, every trustee or other officer of the academy shall be indemnified out of the assets of the academy against any liability incurred by them in that capacity in defending any proceedings, whether civil or criminal, in which judgment is given in favour or in which they are acquitted or in connection with any application in which relief is granted to them by the court from liability for negligence, default, breach of duty or breach of trust in relation to the affairs of the academy.

d. Method of recruitment and appointment or election of Trustees

The management of the academy is the responsibility of the trustees who are elected and co-opted under the terms of the Articles of Association and funding agreement as follows:

- The headteacher
- Up to 13 governors appointed under article 50
- A minimum of two parent governors appointed under Articles 53 58
- Up to 2 staff governors comprising up to 1 teacher and up to 1 support staff subject to article 50A
- Any trustees appointed by the Secretary of State for Education

Structure, governance and management (continued)

e. Policies adopted for the induction and training of Trustees

The training and induction provided for new trustees will depend on their individual experience and expertise. Where necessary an induction will provide training on charity and educational, legal and financial matters. All new trustees are given a tour of the academy and the chance to meet with staff and students. All governors are provided with copies of policies, procedures, minutes, budgets, plans and other documents that they will need to understand their role as trustees and directors of the academy.

f. Organisational structure

The composition of the Board of Trustees has not changed. The Board still compromises of:

- The headteacher
- Up to 13 governors appointed under article 50
- A minimum of two parent governors appointed under Articles 53 58
- Up to 2 staff governors comprising up to 1 teacher and up to 1 support staff subject to article 50A
- Any trustees appointed by the Secretary of State for Education

The term of office for any governor is 4 years. The Headteacher's term of office runs parallel with her term of appointment. Subject to remaining eligible to be a particular type of governor, any governor may be reappointed or re-elected.

The academy has established a management structure to enable its efficient running. The structure consists of three levels: the senior leadership team, the leadership team and middles managers

The governing body has considered its role thoughtfully and decided that the role of the trustees is to approve the strategic direction and objectives of the academy and monitor its progress towards these objectives.

The governing body has approved a scheme of delegation which sets out a statement on the system of internal control, responsibilities, standing orders, a scheme of delegation and terms of reference. The headteacher is directly responsible for the day to day running of the academy and is assisted by a senior leadership team.

Governors are responsible for setting general policy, adopting an annual plan and budget, monitoring the academy by use of budgets and making major decisions about the direction of the academy, including capital expenditure and senior staff appointments.

The headteacher assumes the accounting officer role.

g. Arrangements for setting pay and remuneration of key management personnel

North West London Jewish Day School has a performance management process in place where all staff, including key management personnel, meet with their line manager 3 times a year and the line managers monitor the impact and progress made. Targets and objectives are set based on the roles the staff have. The targets are set in line with the school development plan.

At the end of the academic year, the Headteacher meets with the chair of Teaching and Learning, Chair of Staffing and Finance and Chair of Governors (all these make up the Pay Committee). The Headteacher makes her recommendations to the committee in the meeting.

The Pay Committee determines pay levels/ increases and review the performance management reports and the recommendations from the headteacher. The headteacher is monitored by a group of governors. This group of Governors are also part of her appraisal.

The headteacher is apprised three times a year by an external company and Governors.

Objectives and activities

a. Objects and aims

The governors have referred to the guidance issued by the Charity Commission in respect of public benefit when reviewing the aims and objectives of the Academy.

In accordance with the articles of association, the Academy has adopted a 'Scheme of Government' approved by the Secretary of State for Education.

The principal object and activity of the academy is the operation of North West London Jewish Day School to provide a broad and balanced education for pupils of all abilities.

The Scheme of Government specifies, amongst other things, that the Academy will be at the heart of its community promoting community cohesion and sharing facilities; the basis for admitting students to the Trust, that the curriculum should be broad and balanced; there will be an emphasis on the needs of individual pupils including pupils with SEN; the basis for charging pupils.

Objectives and activities (continued)

b. Objectives, strategies and activities

The Academy's main strategy is encompassed in the Academy's Aims, which are to develop students who are:

- Active citizens
- Prepared for their future
- · Happy, healthy and safe
- Caring individuals
- Responsible learners

The Academy's vision is to build an ethos of:

- Every child is capable of extraordinary achievement.
- For all children to realise their inner potential, they need an environment and adult role models that support their love and enjoyment of learning. Every child has an absolute right to an equal opportunity to flourish in the Academy.
- Our pupils will develop the skills, knowledge and attitudes to realise their own dreams through a positive contribution to their community and wider society.
- Self-realisation and positive contribution stem from a confidence and strength in one's own identity that
 allows us to embrace and respect the identity of other individuals and groups in our community and wider
 society.
- The long-term well-being of our pupils is dependent on a sustainable economy, society and environment. We need to teach our children to be able to contribute to achieving that sustainability as adults.
- It is the responsibility of all of the adult staff in North West London Jewish Day School to remove the barriers to each individual child's development and create the conditions in which they are able to love and enjoy learning

The main activities for achieving objectives the academy will undertake will be:

- Developing a teaching and learning policy and implementing this effectively. The Academy will review curriculum provision to enhance creativity and engagement.
- The accountability of the Academy will be strengthened by the development of policies and procedures and implementation of a Self-Evaluation Form.
- Developing and implementing areas for children to take responsibility in for example: Prefects, House captains, Student Council, North West Leadership Award.

c. Public benefit

In setting our objectives and planning our activities, the Trustees have given due consideration to general guidance published by the Charity Commission's general guidance on public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

As an academy we make the best use of our skills, expertise and experience with regards to the community. Some examples of this are:

• Raising money for local, national and international charities.

b. Going concern

After making appropriate enquiries, the board of trustees has a reasonable expectation that the academy trust has adequate resources to continue in operational existence for the foreseeable future. For this reason, it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

Financial review

(A company limited by guarantee)

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2023

Strategic report (continued)

Most of the Academy's income is obtained from the Education and Skills Funding Agency (ESFA) in the form of recurrent grants, the use of which is restricted to particular purposes. The grants received from the ESFA during the period ended 31 August 2023 and the associated expenditure are shown as restricted funds in the Statement of Financial Activities.

a. Reserves policy

The definition of reserves in the SORP is 'that part of a charity's income funds that is freely available for its general purposes'. This definition of reserves therefore normally excludes:

- permanent endowment funds
- expendable endowment funds
- restricted income funds

• any part of unrestricted funds not readily available for spending, specifically income funds which could only be realised by disposing of fixed assets held for charitable use

Reserves are therefore the resources the Academy has or can make available to spend for any or all of the Academy's purposes once it has met its commitments and covered its other planned expenditure. More specifically 'reserves' are income which becomes available to the Academy and is to be spent at the Trustees' discretion in furtherance of any of the Academy's objects (sometimes referred to as 'general purpose' income) but which is not yet spent, committed or designated (ie is 'free')

The level of reserves held takes into account the nature of income and expenditure streams, the need to match them with commitments, including future capital projects, and the nature of reserves. The Trustees will keep this level of reserves under review at each board meeting and aim to build and maintain the reserves level by entering into cost effective agreements whilst in keeping with the principal object of the Academy.

Total reserves at the end of the period amounted to £325,779 (2022: £186,663) (deficit). This balance includes unrestricted funds (free reserves) of £4,390 (2022:£4,330), which are considered appropriate for the Academy Trust, and restricted funds of £60,565 (2023: £355,902) and a pension deficit of £660,00 (2022: £917,000).

b. Investment policy

Investment policies are determined by the Trust Board. This ensures the level of funds the Trust holds can cover any immediate expenditure, without exposing the Trust to additional risk. Should any potential investment opportunity arise this would be escalated to the Trust Board for consideration.

As at 31 August 2023, no investments were held.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2023

c. Principal risks and uncertainties

The Companies Act 2006 s417(3b) requires disclosure of the principal risks and uncertainties facing a company. The Trust is exposed to a number of financial risks including credit, cash flow and liquidity risks. Given the Trust's exposure to financial instruments being limited, the exposure principally relates to bank balances, cash and trade creditors, with limited trade (and other) debtors. The trust's system of internal controls ensures risk is minimal in these areas.

A risk register has been established and is updated regularly. Where appropriate, systems or procedures have been established to mitigate the risks the Trust faces. Internal control risks are minimised by the implementation of procedures for authorisation of all transactions and projects.

The governors have assessed the major risks to which the Trust is exposed, in particular those relating to the specific teaching, provision of facilities and other operational areas of the Trust, and its finances. The trustees have implemented a number of systems to assess risks that the Academies face, especially in the operational areas (e.g. in relation to teaching, health and safety, bullying and school trips) and in relation to the control of finance. They have introduced systems, including operational procedures (e.g. vetting of new staff and visitors, supervision of school grounds) and internal financial controls (see below) in order to minimise risk. Where significant financial risk still remains they have ensured they have adequate insurance cover.

The Trust has an effective system of internal financial controls and this is explained in more detail in the Governance Statement.

It should also be noted that procedures are in place to ensure compliance with the health and safety regulations, pertaining to both staff and pupils.

Fundraising

The Trust does not engage in any specific fundraising activities. However, the NWL Jewish Day School Trust (registered charity number 166117) has a fundraising branch which organises a fundraising event every four years if possible. Apart from this, the Academy also has a PTA which does regular fundraising.

Streamlined energy and carbon reporting

As the trust has not consumed more than 40,000 kWh of energy in this reporting period, it qualifies as a low energy user under these regulations and is not required to report on its emissions, energy consumption or energy efficiency activities.

(A company limited by guarantee)

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2023

Plans for future periods

The most recent fundraising event took place in January 2023. The event was organised to gather financial resources to support various aspects of the school's operations, including educational programs, infrastructure development, and other essential needs. North West London Jewish Day School has fostered a close working relationship with the Education and Skills Funding Agency (ESFA). As part of their financial planning strategy, the school has actively pursued grant opportunities. Regularly applying for grants enables the academy to supplement its budget, addressing specific needs and enhancing educational offerings.

The Academy conducts regular Premises Committee meetings to address matters related to its physical infrastructure and facilities. The committee consists of governors, staff, and parents, ensuring diverse perspectives in decision-making. During these meetings, expenditures are discussed, and funding sources are identified.

We plan to be applying for CIF funding. The CIF is a crucial aspect of the financial framework, specifically earmarked for maintaining and improving the condition of school premises. The Premises Committee plays a pivotal role in identifying areas that require attention and proposing projects eligible for CIF funding. This approach enables the academy to enhance its infrastructure while maintaining financial prudence.

Funds held as custodian on behalf of others

The Academy Trust and / or its trustees did not act as custodian trustee during the current or previous period.

Disclosure of information to auditors

Insofar as the Trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware, and
- that Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

The Trustees' report, incorporating a strategic report, was approved by order of the Board of Trustees, as the company directors, on 8 December 2023 and signed on its behalf by:

GOVERNANCE STATEMENT

Scope of responsibility

As trustees, we acknowledge we have overall responsibility for ensuring that North West London Jewish Day School has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

As trustees, we have reviewed and taken account of the guidance in DfE's Governance Handbook and competency framework for governance.

The board of trustees has delegated the day-to-day responsibility to the Headteacher, as accounting officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between North West London Jewish Day School Academy Trust and the Secretary of State for Education. They are also responsible for reporting to the board of trustees any material weaknesses or breakdowns in internal control.

Governance

The information on governance included here supplements that described in the Trustees' report and in the Statement of trustees' responsibilities. The Board of Trustees has formally met 5 times during the year.

The Board of Governors, have had a number of changes during the last year, with a member standing down (on completion of their full term) and three new members join. Two of these are parent governors and joined following the position of a parent governor becoming available.

The new members have been valuable in particular with premises and raising additional funds for the school and Finance. The Board as a whole ensures the teaching standards of the school, financial matters and staff related management are all kept in good order. The Board has performed all of its mandated requirements throughout the academic year. The Board works hard to find any opportunity to encourage, promote and enhance the school for the benefit of both the pupils and its' staff. Recently the Board has helped to manage the balance between tightened budgets whilst still maintaining the school's high standards and excellent facilities.

The Board reviews pupil data termly in order to regularly ascertain pupils' progress and attainment throughout the school. The Board has reviewed the status of the single central record to ensure staff data and DBS data are always actively managed. Within each area of management within the school, the Board has appointed a regular sub-committee which reports back to the Board. These sub committees meet termly to ensure a regular update is obtained and items to improve or monitor can regularly be addressed. The Board also has performed self-evaluation forms in order to review its own performance and look at areas to make improvements.

When maintaining the membership of the Board, there is a desire to bring relevant expertise to ensure the right people are on the Board to meet the needs of the current requirements. We utilise an external clerk to ensure compliance with DofE rules and regulations as well as ongoing support.

The Board also utilises Ofsted trained advisors in order to make sure our high standards are monitored effectively with feedback and advice given throughout the year, so that the Board and school leadership team can make rapid and effective decisions. We ensure relevant training is undertaken by Board members in order for them to keep up to date with the DofE regulations and recommendations.

The governors regularly come into school to doing learning walks and they report back to their committees. Safeguarding is reported to the full governing body each academic year.

Review of value for money		

As accounting officer, the headteacher has responsibility for ensuring that the academy delivers good value in the use of public resources. The accounting officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The accounting officer considers how the academy trust's use of its resources has provided good value for money during each academic year, and reports to the board of trustees where value for money can be improved, including the use of benchmarking data where appropriate. The accounting officer for the academy trust has delivered improved value for money during the year by considering several possibilities before making a choice about something what is needed.

The headteacher has been more reserved with regards to staffing and supply costs have been lower.

The purpose of the system of internal control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can, therefore, only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of academy trust policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in North West Jewish Day School Academy Trust for the year 1 September 2021 to 31 August 2022 and up to the date of approval of the annual report and financial statements.

(A company limited by guarantee)

GOVERNANCE STATEMENT (CONTINUED)

Capacity to handle risk

The Board of Trustees has reviewed the key risks to which the academy is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The Board of Trustees is of the view that there is a formal ongoing process for identifying, evaluating and managing the academy's significant risks that has been in place for the year 1 September 2022 to 31 August 2023 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the Board of Trustees.

The risk and control framework

The academy's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the Board of Trustees
- regular reviews by the Finance and General Purposes Committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes
- setting targets to measure financial and other performance
- clearly defined purchasing (asset purchase or capital investment) guidelines
- identification and management of risks

Board of Trustees has decided not to appoint an internal auditor. However, the Trustees have appointed the Accounting Officer of North West London Jewish Day School, to perform a peer review.

The Board of Trustees extended the Finance Committee to include Audit responsibilities and the internal audit has been done.

On a quarterly basis, the reviewer reports to the Board of Trustees through the audit and risk committee on the operation of the systems of control and on the discharge of the Board of Trustees' financial responsibilities and annually prepares a short annual summary report to the committee outlining the areas reviewed, key findings, recommendations and conclusions to help the committee consider actions and assess year on year progress.

Review of effectiveness

As accounting officer, the headteacher has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the internal auditor;
- the work of the external auditor
- the financial management and governance self-assessment process or
- the school resource management self-assessment tool;
- the work of the executive managers within the academy who have responsibility for the development and maintenance of the internal control framework.

I

The accounting officer has been advised of the implications of the result of their review of the system of internal control by the audit and risk committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF NORTH WEST LONDON JEWISH DAY SCHOOL

Opinion

We have audited the financial statements of North West London Jewish Day School (the 'academy') for the year ended 31 August 2023 which comprise the Statement of financial activities, the Balance sheet, the Statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', the Charities SORP 2019 and the Academies Accounts Direction 2022 to 2023 issued by the Education and Skills Funding Agency.

In our opinion the financial statements:

- give a true and fair view of the state of the Academy's affairs as at 31 August 2023 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities SORP 2019 and the Academies Accounts Direction 2022 to 2023 issued by the Education and Skills Funding Agency.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the Academy in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Academy's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF NORTH WEST LONDON JEWISH DAY SCHOOL (CONTINUED)

Other information

The other information comprises the information included in the Annual report other than the financial statements and our Auditors' report thereon. The Trustees are responsible for the other information contained within the Annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' report including the Strategic report for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the Trustees' report and the Strategic report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the Academy and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' report including the Strategic report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Statement of trustees' responsibilities, the Trustees (who are also the directors of the Academy for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the Academy's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Academy or to cease operations, or have no realistic alternative but to do so.

INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF NORTH WEST LONDON JEWISH DAY SCHOOL (CONTINUED)

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We considered the nature of the industry and its control environment, and reviewed the academy's documentation of their policies and procedures relating to fraud and compliance with laws and regulations. We also enquired of management about their own identification and assessment of the risks of irregularities.

We obtained an understanding of the legal and regulatory framework that the academy's operates in, and identified the key laws and regulations that:

- reading minutes of meetings of those charged with governance.
- had a direct effect on the determination of material amounts and disclosures in the financial statements. These included the UK Companies Act and tax legislation; and
- do not have a direct effect on the financial statements but compliance with which may be fundamental to the charitable company's ability to operate or to avoid a material penalty.
- We discussed among the audit engagement team regarding the opportunities and incentives that may exist within the organisation for fraud and how and where fraud might occur in the financial statements.

In common with all audits under ISAs (UK), we are also required to perform specific procedures to respond to the risk of management override. In addressing the risk of fraud through management override of controls, we tested the appropriateness of journal entries and other adjustments; assessed whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluated the business rationale of any significant transactions that are unusual or outside the normal course of business.

In addition to the above, our procedures to respond to the risks identified included the following:

- reviewing financial statement disclosures by testing to supporting documentation to assess compliance with provisions of relevant laws and regulations described as having a direct effect on the financial statements;
- performing analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud;
- enquiring of management, and external legal counsel concerning actual and potential litigation and claims and instances of non-compliance with laws and regulations; and
- reading minutes of meetings of those charged with governance.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: <u>www.frc.org.uk/auditorsresponsibilities</u>. This description forms part of our Auditors' report.

INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO NORTH WEST LONDON JEWISH DAY SCHOOL AND THE EDUCATION AND SKILLS FUNDING AGENCY

In accordance with the terms of our engagement letter dated 1 August 2014 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2022 to 2023, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by North West London Jewish Day School during the year 1 September 2022 to 31 August 2023 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to North West London Jewish Day School and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to North West London Jewish Day School and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than North West London Jewish Day School and ESFA, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of North West London Jewish Day School's accounting officer and the reporting accountant

The accounting officer is responsible, under the requirements of North West London Jewish Day School's funding agreement with the Secretary of State for Education dated 1 July 2014 and the Academy Trust Handbook, extant from 1 September 2022, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2022 to 2023. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year 1 September 2022 to 31 August 2023 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO NORTH WEST LONDON JEWISH DAY SCHOOL AND THE EDUCATION & SKILLS FUNDING AGENCY (CONTINUED)

Approach

We conducted our engagement in accordance with the Framework and Guide for External Auditors and Reporting Accountant of Academy Trusts issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the Academy's income and expenditure.

The work undertaken to draw to our conclusion includes:

- review of management reporting documents.
- review of Trustees/Governors meeting minutes.
- confirming compliance with the Academy Trust's Scheme of Delegation.
- compliance with delegated authorities.
- consideration of whether any personal benefit has been derived from the Academy Trust's transactions by staff or related parties.
- adherence to tendering policies.

Conclusion

In the course of our work, nothing has come to our attention which suggest in all material respects the expenditure disbursed and income received during the year 1 September 2022 to 31 August 2023 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2023

1. Accounting policies

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgments and key sources of estimation uncertainty, is set out below.

1.1 Basis of preparation of financial statements

The financial statements of the Academy, which is a public benefit entity under FRS 102, have been prepared under the historic cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), (Charities SORP (FRS 102)), the Academies Accounts Direction 2022 to 2023 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

1.2 Going concern

The Trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the Academy to continue as a going concern. The Trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the Academy has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the Academy's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Income

All incoming resources are recognised when the Academy has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

• Grants

Grants are included in the Statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Statement of financial activities in the year for which it is receivable and any abatement in respect of the year is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the Balance sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

• Donations

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2023

1. Accounting policies (continued)

1.3 Income (continued)

• Other income

Other income, including the hire of facilities, is recognised in the year it is receivable and to the extent the Academy has provided the goods or services.

1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

• Charitable activities

These are costs incurred on the Academy's educational operations, including support costs and costs relating to the governance of the Academy apportioned to charitable activities.

All resources expended are inclusive of irrecoverable VAT.

1.5 Tangible fixed assets

Assets costing £1,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the Statement of financial activities and carried forward in the Balance sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the Statement of financial activities. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

Depreciation is provided on all tangible fixed assets other than freehold land and assets under construction, at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful life, as follows:

(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2023

1. Accounting policies (continued)

1.5 Tangible fixed assets (continued)

Depreciation is provided on the following bases:

Long-term leasehold property - 10 years Computer equipment - 3 years

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of financial activities.

1.6 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

1.7 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.8 Liabilities

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the Academy anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2023

1. Accounting policies (continued)

1.9 Pensions

Retirement benefits to employees of the Academy are provided by the Teachers' Pension Scheme ("TPS") and the Local Government Pension Scheme ("LGPS"). These are defined benefit schemes.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the Academy in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the Academy in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each Balance sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the Statement of financial activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

1.10 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the Academy at the discretion of the Trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Department for Education Group.

Investment income, gains and losses are allocated to the appropriate fund.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2023

2. Critical accounting estimates and areas of judgment

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The Academy makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 22, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2019 has been used by the actuary in valuing the pensions liability at 31 August 2023. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

22. Pension commitments

The Academy's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by London Borough of Brent Pension Fund. Both are multi-employer defined benefit schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2016 and of the LGPS 31 August 2022.

There were no outstanding or prepaid contributions at either the beginning or the end of the financial year.

Teachers' Pension Scheme

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies. All teachers have the option to opt-out of the TPS following enrolment.

The TPS is an unfunded scheme to which both the member and employer makes contributions, as a percentage of salary - these contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2023

22. Pension commitments (continued)

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2016. The valuation report was published by the Department for Education on 5 March 2019. The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 23.68% of pensionable pay (including a 0.08% administration levy)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £218,100 million and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £196,100 million, giving a notional past service deficit of £22,000 million
- the SCAPE rate, set by HMT, is used to determine the notional investment return. The current SCAPE rate is 2.4% above the rate of CPI, assumed real rate of return is 2.4% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.2%. The assumed nominal rate of return including earnings growth is 4.45%.

The next valuation result is due to be implemented from 1 April 2023.

The employer's pension costs paid to TPS in the year amounted to \pounds - (2022 - £214,000).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website (https://www.teacherspensions.co.uk/news/employers/2019/04/teachers-pensions-valuation-report.aspx).

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The Academy has accounted for its contributions to the scheme as if it were a defined contribution scheme. The Academy has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined benefit pension scheme, with the assets held in separate trusteeadministered funds. The total contribution made for the year ended 31 August 2023 was £155,000 (2022 - £143,000), of which employer's contributions totalled £133,000 (2022 - £120,000) and employees' contributions totalled £ 22,000 (2022 - £23,000). The agreed contribution rates for future years are 32 per cent for employers and 5.5 to 9.9 per cent for employees.

]Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2023

25. Related party transactions

Owing to the nature of the Academy and the composition of the Board of Trustees being drawn from local public and private sector organisations, transactions may take place with organisations in which the trustees have an interest. All transactions involving such organisations are conducted in accordance with the requirements of the Academy Trust Handbook, including notifying the ESFA of all transactions made on or after 1 April 2019 and obtaining their approval where required, and with the Academy's financial regulations and normal procurement procedures relating to connected and related party transactions.

The Academy Trust company occupies land and buildings, free of charge, provided to it by the Trustees of The North West London Jewish Day School Charity in accordance with a long standing arrangement. (This arrangement is also referred to in a Supplemental Agreement between The Academy, Brent Council and Department of Education which contains reference two year notice period for either party to vacate the site.)

Having considered the fact that The Academy Trust occupies the land and buildings but that this transfers to The Academy no rights or control over the site save that of occupying it, the Governors have concluded that the value of the land and buildings occupied by The Academy Trust should not be recognised on the balance sheet of the company.

There were no other related party transactions during the period.

26. Post balance sheet events

The supreme court ruling on Harpur vs Brazel (2022) has upheld the ruling impacting holiday pay for part time workers. Employers will now be required to revisit their historical holiday calculations to retrospectively apply this ruling. Whilst this will create a liability for the trust, the government are yet to produce guidance as to the specifics of the calculation required, and hence no accurate provision can currently be made.

Subsequent events

20. All events subsequent to the date of the financial statements which require adjustment or disclosure have been properly accounted for and disclosed.

Going concern

21. We believe that the academy trust's financial statements should be prepared on a going concern basis on the grounds that current and future sources of funding or support will be more than adequate for the academy trusts needs. We believe that no further disclosures relating to the academy trust's ability to continue as a going concern need to be made in the financial statements.
