PART A: PUPIL PREMIUM STRATEGY PLAN

Statement of intent

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Challenging circumstances at home make supporting children's academic progress difficult
2	Financial constraints, therefore unable to afford extra-curricular activities, school trips and basic necessities such as school uniform etc
3	Emotional impact that challenges at home are having on the child when at school

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
To raise the attainment level in English Reading	Children to achieve the age-related expectations at the end of the academic year
To raise the attainment level in English Writing	Children to achieve the age-related expectations at the end of the academic year
To raise the attainment level in Mathematics	Children to achieve the age-related expectations at the end of the academic year
To provide extra-curricular activities	Increased attendance in school clubs, which in turn will support children's emotional wellbeing and academic progress
To support the learning and development of phonic awareness to aid reading and writing progress	Children to achieve the age-related expectations at the end of the academic year
To support pupil's emotional wellbeing and self esteem	Children to be able to express themselves and to be more confident

Activity in this academic year
