General Information

General Information:

All club queries should be made directly to the School Office or by email to jwernars@nwljds.org.uk. Please note the start and end dates for the clubs on Page 9 and keep it handy for reference. It is the responsibility of the children to attend the clubs they are signed up for.

**Parents should note that all clubs run on a
first-come, first-served basis each term**

Behaviour:

“We welcome participation and encourage children to broaden their education and experience through clubs.

Excellent behaviour including listening and respecting adults and taking turns and respecting the rights of all participants is expected in clubs and we operate a ‘third warning and out’ policy. The child will be warned once and on the second warning, parents will be informed. The third warning will result in exclusion from the club.”

This is in accordance with the School Behaviour Policy.

Cancellations:

If a club is cancelled for any reason the School Office will attempt to inform parents as soon as possible but it has occasionally happened that we have only been informed at the very last moment.

If a child has been registered for a club and decides they no longer wish to go, the cancellation policy is as follows:

- Before club has started 90% of fee returned, 10% admin fee retained by school
- After the club has started: 50% of the fee for the weeks remaining returned to parents

If there is a medical reason, such as injury which prevents the child from continuing, a full refund will be given for the remaining weeks

Cost:

All clubs run on a cost per session basis, rather than cost per term, therefore costs may vary from term to term due to the varying lengths of terms and any school closures; Chagim, Open Evenings, etc.
